

SEND IT

THE MISSION

The mission of the Send It Foundation is to inspire positivity, courage and gratitude in young adult cancer fighters through the gift of outdoor adventure and community.

PROGRAMS

Send It provides outdoor adventures for young adults (ages 21-40) battling cancer, removing them from their cancer experience and creating the space to play, connect, and have outdoors. Adventures are designed around activities like skiing, surfing, biking & climbing; building community around shared experience.

Programs are free of charge for participants, and fully supported by our community of donors, partners, and volunteers.
